

Singing Over Me (1 of 2)

Kari Jobe, Ed Cash & Mia Fieldes

VERSE 1

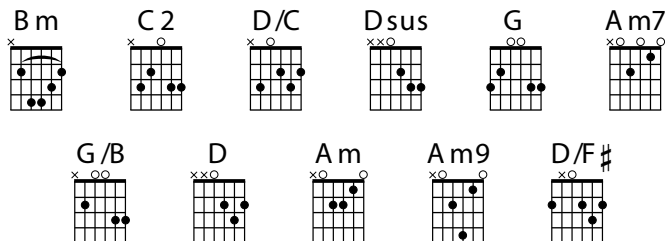

When I wait- ed so long, when my tears were my song
With my hope nearly gone, You held me, God
To believe in the face of the dry, weary place
When You felt far away, You held me, God
Oh, there is freedom in surrend- er
Oh, I know it

CHORUS

Your songs have nev- er stopped
You've been sing- ing, always sing- ing over me
Your words are still enough
And You're sing- ing, always sing- ing over me

VERSE 2

The cha- os in the cause, teaching me to see, Lord
The beauty in the storm, so I believe
When I see through Your eyes through the test- ing of time
Every cloud, silver lined, 'cause You're with me
Oh, there is freedom in surrend- er
Oh, I know it
